  Jain University
  Bangalore, Karnataka

About Me

My journey in the world of web development began with an insatiable curiosity for coding and technology. From those early days of tinkering with HTML and CSS, I quickly realized that PHP was the language that truly captured my heart. Its versatility and the ability to bring ideas to life appealed to my creative side and logical thinking.

Professional Experience

BRAINFLECK SOLUTION
Surat, Gujarat
2023 – Present

- Sharpened proficiency in PHP frameworks such as Laravel through continuous learning and self-directed projects.

- Enhanced problem-solving skills by resolving complex technical issues.

- Worked closely with UI/UX designers to translate wireframes and prototypes into interactive and visually appealing web pages.

- Participated in workshops and webinars on emerging web technologies, keeping abreast of the latest industry trends.
